

FISCAL NOTE

HB 2055 - SB 1928

March 27, 2003

SUMMARY OF BILL:

- Establishes rules, regulations and procedures for the licensure, registration and regulation of crematories, crematory operators and crematory technicians.
- Establishes crematory standards and operating procedures.
- Provides that the Board of Funeral Directors and Embalmers will be responsible for the licensure, registration and regulation of crematories, crematory operators and crematory technicians.

ESTIMATED FISCAL IMPACT:

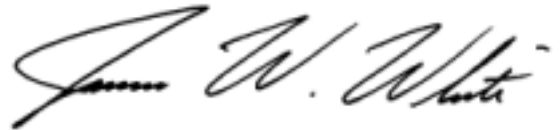

Increase State Revenues - \$7,000 One-Time, \$1,200 Biennially
Increase State Expenditures - \$7,000 One-Time, \$600 Recurring

Estimate assumes application and licensing fees for crematories, crematory operators and crematory technicians will be set in an amount to generate sufficient revenues for expenditures. Licenses issued by the Board will be valid for 2 years.

Estimate assumes one-time expenditures for computer programming changes and recurring expenditures for activities related to the licensure and regulation of crematories, crematory operators and crematory technicians.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
